## Professional Experience

Jonathan Thiel joined Berger Commercial Realty as a Sales Associate in 2012. Jonathan's experience in Hospital Management and charitable organizations has given him a foundation of strong interpersonal skills and marketing background. Jonathan is a native Floridian with numerous local personal and professional contacts. These attributes have propelled Jonathan into a very successful real estate career. Jonathan's first few years in the business have resulted in securing numerous listings, multiple closed sales representing both sellers and buyers, successful representation of landlords in leasing medical, office, and warehouse spaces, and successful tenant representation assignments.

In 2014, Jonathan was named Berger Commercial Realty's Top Broker Under 30.

Jonathan's community involvement includes St. Thomas Alumni Association, Florida International University Alumni Association, South Florida Office Broker's Association, and Young Professionals for Covenant House.
